

5 Free ChatGPT Prompts

for Bloggers & Solo Creators

From PromptEdgePro.com — AI tools that save you time & make money

Welcome to PromptEdgePro!

Thank you for joining our community of bloggers using AI to grow smarter. Your niche is **AI tools & productivity for beginner bloggers and solo creators** — and these 5 prompts are handpicked to help you create content, drive Pinterest traffic, and grow your email list, all in minutes.

Copy any prompt below → paste into ChatGPT → replace the **[bracketed text]** → hit send. That's it. No tech skills needed.

1

Blog Post Ideas Generator

USE FOR: BLOG PLANNING / CONTENT CALENDAR

Give me 10 blog post ideas for a blog about [AI tools for beginner bloggers]. Each idea should target a beginner audience and include a catchy title and one sentence description.

■ *Tip: Replace [AI tools for beginner bloggers] with your exact niche for best results.*

2

Blog Post Ideas Generator (Repeat)

USE FOR: CONTENT BRAINSTORMING

Give me 10 more blog post ideas for a blog about [your niche]. Each idea should target a beginner audience and include a catchy title and one sentence description.

■ *Tip: Run this prompt multiple times to fill an entire month's content calendar instantly.*

3

SEO Meta Description Writer

USE FOR: ON-PAGE SEO / GOOGLE SEARCH SNIPPETS

Write an SEO meta description for a blog post titled "[title]". Keep it under 155 characters, include the keyword "[keyword]", and make it compelling to click.

■ *Tip: Example: title = "Best AI Tools for Bloggers 2026", keyword = "AI tools for bloggers".*

4

Pinterest Pin Description Writer

USE FOR: PINTEREST TRAFFIC GROWTH

Write 5 Pinterest pin descriptions for my blog post about "[topic]". Each should be 2-3 sentences, include relevant keywords, and end with a call to action.

■ *Tip: Example topic: "how to use ChatGPT to write blog posts faster".*

5

Email Newsletter Writer

USE FOR: EMAIL MARKETING / SUBSCRIBER ENGAGEMENT

Write a short email newsletter to send to my blog subscribers about my new post "[title]". Keep it friendly, under 150 words, and include a clear call to action to read the post.

■ *Tip: Perfect for Hostinger Email or any email marketing tool — just paste and send!*
